ACTIVITY SECTION

TO THE CLASS OF 1956:
We, the Faculty of Hartford High School, approach
the graduation of your class with a mixture of sad-
ness and gladness. The tinge of sadness stems from
the fact that we shall soon lose our intimate contact
with so many fine young people. The tinge of glad-
ness springs from our confidence that you will go
forth to improve the world.

Our interest in you will not terminate with gradu-
ation. Perhaps the greatest satisfaction that we edu-
cators have is to follow the achievements of our
graduates. Our wishes for success go with you.

To the Graduating Class of 1956, we say a job
well done; a future well begun.

Best wishes,
John P. Gates, Principal

*Best wishes, Donna
Thanks for the excellent job
in the office. John P. Gates*

MRS. ALLEN

Mrs. Allen has been with the Class of 1956 ever since our Freshman year. She was our homeroom teacher every year except our Senior year. She has helped us with our Freshman Hop, our one-act plays, our Junior Prom, and our Senior Play.

We'd like to express our sincere gratitude for all her time and efforts spent in helping us with our school, personal, and other types of problems.

*To a charming young lady,
happy summer and
best wishes Edith Allen*

DEDICATION

MRS. WHITCOMB

Mrs. Whitcomb has helped out where musical-type programs were needed. She has broadened our education in music and also our knowledge of Newfoundland by showing us slides of the way of living and also the scenic beauties of that country.

For her patience and power to endure choir members and difficult choir classes, we would like to express our appreciation for it in this yearbook.

APPRECIATION

THOMAS BATCHELDER

TO THE CLASS OF 1956:

The basis of success for any Student Council is the amount of cooperation it receives from the student body. The student body this year has given wonderful cooperation and should be congratulated.

Our main aim this year has been to improve the recreational opportunities in the Town of Hartford. We have worked in cooperation with the Hartford P.T.S.A. A recreational program, sponsored by the members of the P.T.S.A., during Saturday afternoons and dances Saturday nights are our most prized accomplishments.

Sincerely,

Frank G. Mahady
Vice President of
Student Council

As President of the Class of 1956, I would like to say that I think a president could not ask for a more cooperative and ambitious class than I have been chosen to lead for the past three years.

My wishes to the Class of '56 are that in the years following graduation, all your hopes, dreams, and ambitions come true and that your destination on the road to success is finally reached.

As for the underclassmen, the years until your graduation are short, and it has been said, "A word to the wise is sufficient." Do not waste those years.

HISTORY OF THE

7

We first entered H. H. S. this year and got acquainted with the rooms, traffic rules, school customs, traditions, and regulations. The kids from Hartford village joined us this year. Sheila Mock was our president. We had Miss Young and Mr. Solari for home room teachers. We took part in the Junior High Carnival, sold magazine subscriptions, and made some trips to Boston to the rodeo and Ice Follies with Miss Young. Oh, how we looked up to those Seniors and longed for the day we'd be up there!!

8

Another step up the ladder to grade twelve. This year we welcomed in the kids from Wilder. Our president was Judeen Cameron. Our home room teachers were Miss Cadorette and Mr. Fisk. We gave the Thanksgiving Assembly, had a Junior High Carnival, had our magazine drive, took a trip to Boston to a ball game with Miss Young, had a field day, and presented Orientation Day and copped some speaking prizes. Our really big triumph was the winning of the One-Act Play contest trophy. We beat the Freshmen, Sophomores, Juniors, and Seniors with our comedy "Alias Janetta."

9

This year we left the H. H. S. building for the new Memorial School. The kids from Queechee, North Hartland, and other towns joined us this year. The uniting of our class into one started this year. Tom Batchelder was our president. Our home room teachers were Mrs. Allen, Mr. Solari, and Mr. Drake. We had our own newspaper called the "Catamount," and even a yearbook. We had our intramural sports and a few select ones were allowed to play with the H. H. S. teams. We had our own three One-Act Plays and a field day. Up here we were really big shots!!

CLASS OF '56

10

This year we left back to the old H. H. S. building. The home rooms seem familiar -- the same ones we had in Junior High! Joe DePalo started his long terms of presidency this year. Our home room teachers were Mrs. Allen and Mr. Hatch. The Seniors gave us a Sophomore reception, but we got gypped out of our initiation. Some of us went to the All-State Music Festival in Burlington. We decorated for Baccalaureate services and had the marshals for the Seniors. We were really the underclassmen this year.

11

We had only one trip this -- to Fort Ticonderoga in New York. We broke tradition again and got new and different class rings with stones in them. Joe DePalo is our president again. Our home room teachers were Mrs. Allen and Mr. McPhetres. Our Junior Prom, "Spring Magic" was successful and we almost made money. Some class members even went on TV to publicize it. We sent five girls and five boys to Girls' and Boys' State. New events this year were our final exams and Career Day. We decorated the gym for the Seniors' graduation. (Class of '55) Only one more year and we'll be walking up the same aisle!!

12

SENIORS -- We finally made it to the last step. Our president, Joe DePalo, has been about the best and most capable leader any class could ask for. Mr. Fredyma and Mr. Juras were our home room teachers this year. Senior pictures, invitations, announcements, caps, gowns -- money, money, money!! Our own yearbook, complete with financial worries is finished. Headaches from late hours all added up to Senior essays, mid-term exams, plus finals. (Commonly termed as "Senioritus.") But outweighing all these cares is the joy of fine lasting friendships which brought us all closer together. We'll never forget that final week with Baccalaureate, Class Day, and at last --GRADUATION

The Class of 1956 held its Junior Prom on April 29, 1955 with "Spring Magic" as its theme.

Judeen Cameron was prom chairman and the class was divided into various committees.

The gymnasium was decorated with blue and white crepe paper, pastel paper curtains, plants, a stone wall effect, and a wishing-well as the center decoration to carry out the theme.

With the cooperation of the class and the help of our wonderful advisors, our prom was a success.

Judeen Cameron was crowned Queen of Spring Magic and the King was her escort John Hawes.

Music was by the Ambassadors.

We sincerely hope that the class of 1957 gets as much fun and success from their prom as we did.
